

### SORAYA # 3 Ser Amado Soraya lyrics

Es la añoranza de un beso al amanecer,  
It is the nostalgia of a kiss to the **amanecer**,

el recuerdo de un abrazo al atardeser,  
the memory of a hug to the **atardeser**,

entregar mi cuerpo al poder de tus manos,  
to deliver my body to the power of your hands,

con la esperanza de ser amado,  
with the hope to be loved,

es mi alama inquieta pidiendo ternura,  
it is my anxious alama asking for tenderness,

son mis ladios hambrientos buskando tu figura,  
they are my hungry **ladios buskando** your figure,

tus carisias q navegan con sumo cuidado,  
your **carisias q** sail with supreme care,

con la esperanza de ser amado,  
with the hope to be loved,

cierro mis ojos caigo en tus sueños,  
I close my eyes fall down in your sleep,

pido un deseo, escucho tuz voz,  
I ask for a desire, listen **tuz** to voice,

muevo montañas para estar a tu lado,  
I move mountains to be next to you,

darle vida a la esperanza de ser amado,  
to give him life to the hope to be loved,

es perderme en tus ojos y encontrar un hogar,  
it is to get lost in your eyes and to find a hearth,

es tener a mi lado cada mañana al despertar,  
it is to have next to me every morning to the  
awakening,

ver caer la lluvia aropada en tus brazos,  
to see falling down the rain **aropada** in your arms,

con la esperanza de ser amado,  
with the hope to be loved,

es bailar contigo aunque no haya cancion,  
it is to dance with you  **aunque** there is no song,

es recibir un regalo sin tener ocasion,  
it is to receive a gift without having occasion,

abrir lo q siempre has tenido cerrado  
to open it **q** you have always had closed

con la esperanza de ser amado,  
with the hope to be loved,

cierro mis ojos caigo en tus sueños,  
I close my eyes fall down in your sleep,

pido un deseo, escucho tuz voz,  
I ask for a desire, listen **tuz** to voice,

muevo montañas para estar a tu lado,  
I move mountains to be next to you,

darle vida a la esperanza de ser amado,  
to give him life to the hope to be loved,

es llorar en tus hombros y no sobre mi halmoada,  
it is to cry in your shoulders and not on my **halmoada**,

es revelar un miedo y no sentirme aislada,  
it is to reveal a fear and, not to feel outlying,

disfrutar cada momento como un dia feriado  
to enjoy every moment as a holiday

con la esperanza de ser amado.  
with the hope to be dear.

cierro mis ojos caigo en tus sueños,  
I close my eyes fall down in your sleep,

pido un deseo, escucho tuz voz,  
I ask for a desire, listen **tuz** to voice,

muevo montañas para estar a tu lado,  
I move mountains to be next to you,

darle vida a la esperanza de ser amado,  
darle vida a la esperanza de ser amado  
to give him life to the hope to be loved,  
to give him life to the hope to be loved,
